DIGITAL LITERACY ESSENTIALS

Your Guide to Navigating the Digital World

📚 What is Digital Literacy?

The ability to find, evaluate, create, and communicate information using digital technologies.

- Critical thinking online
- Effective communication
- Information literacy

🛠️ Useful Digital Tools

Essential tools for students:

📊 Google Workspace (Docs, Sheets, Slides)
💾 Cloud Storage (Drive, OneDrive)
📚 Research Tools (Google Scholar, Zotero)
🤝 Collaboration (Notion, Trello, Slack)
🎓 Learning Platforms (Coursera, Khan)

🔒 Safe Internet Practices

Protect yourself online:

🔐 Use strong, unique passwords
🔑 Enable Two-Factor Authentication
👤 Be cautious with personal info
🔗 Verify sources before clicking
📱 Keep software updated

👔 Professional Online Presence

Build your digital reputation:

💼 Create a LinkedIn profile
🌐 Clean up social media
📝 Share valuable content
🤝 Network professionally
⭐ Maintain consistent branding

📧 Email Etiquette

Professional communication:

✉️ Clear, descriptive subject line
👋 Proper greeting & closing
📝 Proofread before sending
📎 Attach files mentioned

💡 **KEY TAKEAWAY: Digital literacy is about using technology effectively, safely, and responsibly!**
